# Introduction

*The Learning List* is a free directory of PreK–12 instructional materials. Within each volume, titles are organized by subject or course as reflected in the table of contents on the left side of the screen.

Materials reviewed by Learning List are listed first; the remaining materials are listed alphabetically by publisher.

*The Learning List* is an organic resource for the PreK–12 education community. Educators and publishers are welcome to submit additional titles for inclusion.

## Icons Key

You will see the following icons throughout *The Learning List*. Here is what each means:

Would you like Learning List to review a material? Click the **Request a Review** button and submit the form for more information.

This icon signifies that **Learning List has reviewed the material**. Click the icon and complete the form for information about accessing the reviews.

*The Learning List* is a free resource for the education community. **Submit titles** of the materials you are using so others may learn about them.
